Once upon a time, there was a boy (juvenile delinquent) who *loved* to drink coffee.

Little 17: coffee time! Coffee, coffee, coffee, coffee, coffee, coffee! Cappuccino, java!

However, his sister did not. She was more of a tea person.

Little 18: Eww. Get that outta my face!

One day, he saw Cell do the peace sign, but he got all uppity and attacked him!

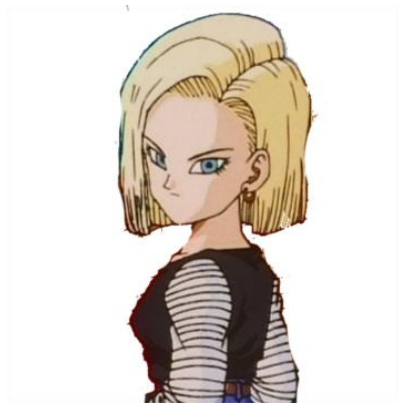

Fortunately, Cell can regenerate.

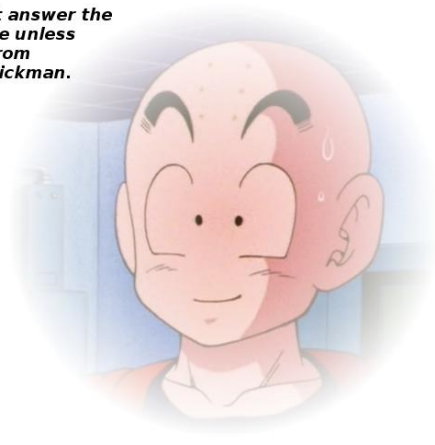

* * *

When he grew older, he still *loved* his coffee. One day, Android 17 wanted to call his sister, 18.

*Don't answer the
phone unless
it's from
Jay Hickman.*

18 heard the phone, but remembered what her husband, Krillin, told her.

She did so any.

So 17 invited 18 to go out to a coffee shop. Android 16 couldn't join them as he was visiting "Aunt Parrot" on the moon.

Right beside them was Piccolo, who 17 did not like, a lot.

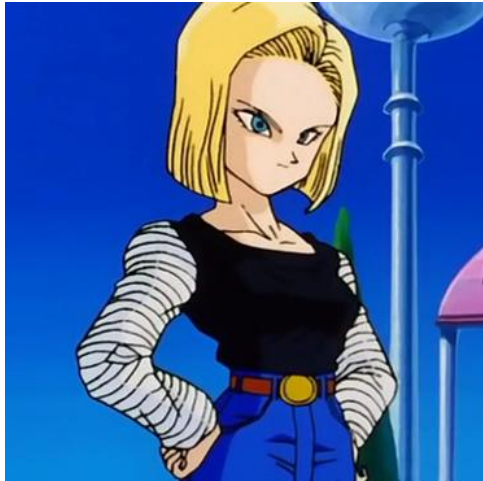

When 18 got up to order a tea, that's when 17 lunged at Piccolo!

Fortunately, Piccolo can regenerate.

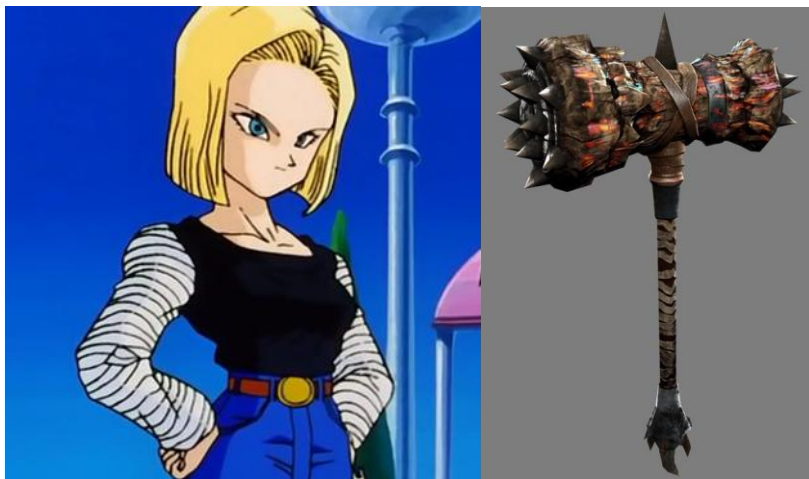

Piccolo: Yeah I know.

18: Uh... 17, what did you do?!

17: I dunno.

18: *sigh* you should have used this.

Meanwhile, Krillin got home and found that 18 was gone! So he got the help of Dende to help him find her.

Krillin: Thanks for helping me, Little Green.

Dende: My name is Dende.

Hours later, 17 and 18 went their ways for now. The bird way.

Krillin: Check if 18's behind that mountain, magic man.

Dende: What did you call—

Dende: —Meeeeeeeeeeeeeeeeeeeeee?!

Apparently, Krillin threw Dende into a mountain. Fortunately, Dende can regenerate.

Krilin: GO LONG, LITTLE GREE—

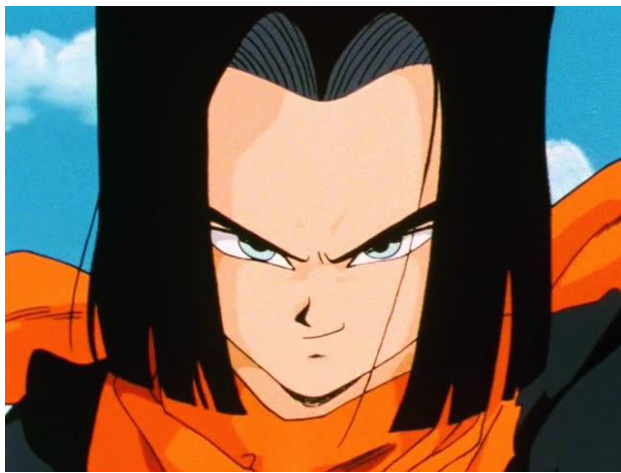

**KRILLIN
OWNED
COUNT: 1**

17: Why don't you watch where you're going?!

Krillin: Oh, it's you. Do you know where 18 is?

17: I dunno know. Why you ask me that again to my face, Shorty?

Krillin: THAT'S IT! YOU'RE GOING DOWN!!! PREPARE TO DIIIIIIIIIE!

17: ROAR!

CRACK!!!!!!1!!!!111

17: NOOOOOOOOOOOO! YOU BROKE MY COFFEE MUG!!!!!!11!!1

18: Hey! 17! Krillin! What the Hell are you doing?!

17: 18, you cut your hair?

Krillin: Oh yeah, I like the new look.

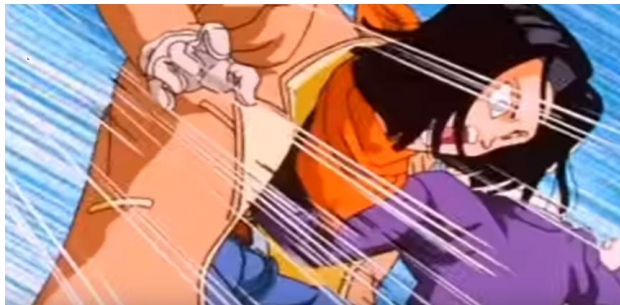

17: Hahahahahahahaha! 18, you look like a freak!

17: LOL

18:

Lots and lots of violence

Krillin: Break him, Baby! Break him like his stupid coffee mug!

17: *SNARL* SHUT UP!

Krillin: Oh sh*t!

Unfortunately, Krillin can't regenerate.

18: What the Hell, 17?! Now I gotta take care of Marron all by myself!

Marron: Mommy! There's a hole in daddy and he's not moving!

17: DON'T IGNORE ME, SLUT!

18: Oh... Never mind. Let's go live in the mountains.

So with Krillin and Marron dead, 17 and 18 lived out their lives in peace. When it was Christmas time...

Her hair grew back

18: Hey bro, catch!

17: Hmm?

17: A new coffee mug! Thanks sis!

Epilogue

Meanwhile in HFIL

Krillin: *Why do I do things?*

Meanwhile at Goten's house

Goten: Who's Maron?

Meanwhile on the moon

16: Hello, Aunt Parrot.

Parrot: Squawk.

16: 17 and 18 are still on the Earth. So it's just you and me. How are you?

Parrot: Squawk.

16: I'm doing fine. Do you know another bird named Toriyama?

Parrot: Squawk.

16: He has a dinosaur that rides a ball.

Parrot: Squawk.
